

# Windows Embedded Trainings services

## • Our competences

- Involved in Windows Embedded development since 1998
- Development of various BSPs for ARM and x86 architectures
- Generic or specific trainings concerning Windows CE and XPe
- « Windows Embedded Partner » since 2001, Gold level since 2004
- « **Windows Embedded Certified Training Center** » since 2003
- ADENEO is registered as training center
- Our training courses are delivered by Certified consultants (eMVP, Black belts or Red belts)
- **Microsoft official EMEA “Train the Trainer” Training centre since 2005**
  - All Microsoft training partners in Europe trained by Adeneo since 2005

**Mobility solutions**

## • Our training services

- **Microsoft official courses**
  - #2530 : Introduction to Microsoft Windows CE.NET™ (1 day)
  - #2535 : Developing board support packages for Windows CE.NET™ (4 days)
  - #2540N : Developing Embedded solutions for Windows CE 5.0™ (4 days)
  - #2545 : Developing Embedded solutions for Windows XPe™ (2 days)
- « **5 days Training** » **based on MS official courses** (for CE.NET or CE 5.0)
  - Introduction to Windows CE: Features, Architecture, development tools
  - Firmware development using “Platform Builder” : Building, downloading and debugging Windows CE
  - “Board Support Package” development: Bootloader, OAL, drivers
  - CE.NET images customization: configuration, shell development
  - Software development: Embedded Visual C++, Visual Studio.NET
- **Dedicated trainings**
  - Focus on some specific technical points
  - Dedicated labs
  - Use of customer targets (taking in account some specific requirements)

# Windows Embedded Trainings services

## • Conditions

- Language: English or French
- Localisation: on customer site
- From 2 to 10 students per session
- **Labs performed on customer dedicated target, or CE / XPe target on PC**
- Tarifs
  - **Introduction to Microsoft Windows CE.NET™ (#2530) :**  
1000 €HT + 100 € HT per trainee
  - **Developing board support packages for Windows CE™ (#2535) :**  
3200 €HT + 200 € HT per trainee
  - **Developing Embedded solutions for Windows CE™ 5.0 (#2540N) :**  
3200 €HT + 200 € HT per trainee
  - **5 days training covering all official courses (3 in 1):**  
4000 €HT + 200 € HT per trainee
  - **Developing embedded solutions for Windows XPe (#2545)**  
1600 €HT + 100 € HT per trainee
  - **Dedicated trainings:**
    - Contact us
- travelling expenses not included
